**Compugen Inc. an ‘Advanced Infrastructure Solutions,’ ‘Licensing Solutions,’ and ‘Marketing Innovation Award – Enterprise’ Finalist in Microsoft Partner Program IMPACT Awards**

*Annual Microsoft Awards recognize Canadian technology partners and their commitment and leadership in the channel community*

**Richmond Hill, Ontario – 17 September 2007 – Compugen Inc.** announced that it has been selected as a finalist in the ‘Advanced Infrastructure Solutions,’ ‘Licensing Solutions,’ and ‘Marketing Innovation Award – Enterprise’ categories for the 2007 Microsoft Partner Program IMPACT Awards. The fifth annual IMPACT Awards recognize excellence within the Microsoft technology partner community in Canada as well as the innovative solutions and value they deliver to customers.

“Microsoft technology partners are the key drivers in delivering ground-breaking solutions that help meet today’s complex customer demands,” said Lora Gernon, Director, Partner Group, Microsoft Canada Co. “Compugen has demonstrated commitment and leadership in the IT services industry and the Microsoft Partner Program IMPACT Awards celebrate the company’s achievements and invaluable solutions they have developed to help drive real business growth and customer satisfaction.”

“We are very excited to receive this recognition from Microsoft for our business-driven technology solutions that leverage state-of-the-art software and hardware from major manufacturers like Microsoft, Hewlett-Packard, Intel and others to improve business agility, reduce costs and add value to IT,” said Harry Zarek, President and CEO of Compugen.

Compugen, along with other technology partner winners and finalists in each of the award categories, will be honored at a gala event in Toronto on November 1, 2007.

**About the Microsoft Partner Program IMPACT Awards**

In 2003, Microsoft Canada replaced all of its previous technology partner awards with a unified program that also recognizes customer service, marketing, and contribution to the community. Microsoft Canada has outlined 30 categories to highlight the Partner Program competencies to honour the achievements of top technology partners.
