## Compugen Wins in Two Award Categories in 2007 Microsoft Partner Program IMPACT Awards

*Annual Microsoft Awards recognize Canadian technology partners and their commitment and leadership in the channel community*

**Richmond Hill, Ontario – 15 November 2007** –Compugen Inc. announced today that it has been selected as the winner in the **Marketing Innovation Enterprise** and **Advanced Infrastructure** at the 2007 Microsoft Partner Program IMPACT Awards. The fifth annual IMPACT awards recognize excellence across the large and diverse community of Microsoft's Canadian technology partners. The winners were announced at a gala event in Toronto on November 1, 2007.

"We are thrilled that Compugen has won a Microsoft Partner Program IMPACT award. As true leaders in their fields, technology partners continue to deliver the most innovative solutions to help customers optimize their business performance," said Lora Gernon, Director, Partner Group, Microsoft Canada Co. "Our annual IMPACT Awards is an opportunity to celebrate top technology partners who have demonstrated their leadership and shown true dedication through their tremendous support and service to customers."

Compugen was chosen as the winner in Marketing Innovation category for its creative program around Desktop Deployment Planning Services SA benefits activation and in the Advanced Infrastructure Category for its work with a central region power company.

"We are extremely honoured to receive these awards in recognition of our creative and proactive software and marketing teams in winning in the Marketing Innovation category and our highly skilled Richmond Hill Enterprise group and MIS team in winning in the Advanced Infrastructure category," said Harry Zarek, Compugen's President and CEO. "This another highlight in a year of achievement that saw Compugen receive Microsoft's Partner of the Year Award at the World Wide Partner conference in Denver in July."

Compugen, along with other technology partner winners and finalists in each of the award categories, was honoured at a gala event in Toronto on November 1, 2007.

### About the Microsoft Partner Program IMPACT Awards

In 2003, Microsoft Canada replaced all of its previous technology partner awards with a unified program that also recognizes customer service, marketing, and contribution to the community. Microsoft Canada has outlined 32 categories to highlight the Partner Program competencies to honour the achievements of top technology partners.

### **About Compugen**

Compugen is Canada's largest privately-owned and operated IT services provider and PC systems integrator. Founded in 1981 by its current President and CEO, Harry Zarek, Compugen provides practical, real-world solutions and a comprehensive customer-focused portfolio of support services.

Providing national coverage from 13 offices coast to coast, Compugen's experienced team of IT professionals helps mid-sized and large corporations and government agencies across Canada with enterprise-level solutions that optimize IT costs and leverage technology for better business results.

Compugen is a Microsoft Large Account Reseller (LAR) and a Gold Certified Microsoft Partner with seven competencies within the MS Partner program. Compugen was previously recognized in 2006 by Microsoft Canada as a double Impact Award winner. In July, 2007, Compugen was named Microsoft's worldwide Partner of the Year, Information Worker Solutions, Office Systems Desktop Deployment, demonstrating the company's growing focus on software.
